

UNITED STATES AIR FORCE ACADEMY

Fellow Texan,

Each year 400 young Texans leave their families in early summer and start their college year. They leave their homes, their families, and their Texas. These young men and women are different. They are enlisted as Airmen in the United States Air Force. They are anywhere from 17-22 years of age and are studying and training to become the future leadership of the United States Air Force. They are the Cadets from Texas at the United States Air Force Academy.

They leave their families as they begin their journey. They spend summers training for their future Air Force careers. During the year they are limited to just a few days to come home to Texas to visit family and friends. Many use this time to participate in additional training opportunities away from their families.

In an effort to remind them of their homes and bring a little Texas to these Cadets, approximately 200 Air Force families from all over the state of Texas travel to Colorado. We provide a night of Texas BBQ to these approximately 400 Texas Cadets and Air Force personnel of the United States Air Force Academy and Peterson Air Force Base. It is our way to provide them a night of Texas fun and food. We cook all things Texas BBQ; brisket, kiolbasa, tamale, and all the sides to remind them of their home. Each year we serve approximately 1200 Cadets and Air Force Staff who oversee and support the Air Force Academy and Peterson Air Force Base.

The families that make this possible represent the four Texas Parent Clubs of the United States Air Force Academy from Dallas/Fort Worth, Houston, San Antonio, Austin, and the entire state of Texas. We rely upon the kind partnership with individuals and organizations such as yours to help make what we believe is the largest Texas BBQ outside of Texas. With your support we are able to treat them to all things Texas. We do this all through donations of iconic Texas foods, monetary donations, gift cards, and just the hard work of our parents to serve these future United States Air Force leaders.

We would appreciate your consideration in supporting the 11th Annual Texas Night 2020. We would like to request a donation of cash, food, and/or drinks that can be served at our Texas Night BBQ. We can also use any type of promotional item or gift card that can be given as a door prize to the attendees. In recognition, your company name and logo will appear on our website (texasnight.usafagroups.org), Facebook pages, event posters and all promotional materials. We make significant efforts to promote your support for an entire year to all of our families and supporters.

Iconic Texas companies that have supported us in the past include; Rudy's BBQ, Dr. Pepper, Colorado Boxed Beef- Dallas, Kiolbassa Sausage of San Antonio, Blue Bell Ice Cream, Dublin Bottling Works, Rodriguez Foods- Ft. Worth and many others. Please consider continuing your support or joining us as a new Sponsor.

The North Texas United States Air Force Parent's Club is a 501 (c) 3 non-profit organization. Our Tax ID# is 752531475. Your donations are tax deductible. To learn more, visit our website, "texasnight.usafagroups.org".

Thank you so much for your support!
